Article 19
Section 1. Referendum for approval or disapproval of statute or resolution enacted by legislature.
1. A person who intends to circulate a petition that a statute or resolution or part thereof enacted by the legislature be submitted to a vote of the people, before circulating the petition for signatures, shall file a copy thereof with the secretary of state. He shall file the copy not earlier than August 1 of the year before the year in which the election will be held.
2. Whenever a number of registered voters of this state equal to 10 percent or more of the number of voters who voted at the last preceding general election shall express their wish by filing with the secretary of state, not less than 120 days before the next general election, a petition in the form provided for in section 3 of this article that any statute or resolution or any part thereof enacted by the legislature be submitted to a vote of the people, the officers charged with the duties of announcing and proclaiming elections and of certifying nominations or questions to be voted upon shall submit the question of approval or disapproval of such statute or resolution or any part thereof to a vote of the voters at the next succeeding election at which such question may be voted upon by the registered voters of the entire state. The circulation of the petition shall cease on the day the petition is filed with the secretary of state or such other date as may be prescribed for the verification of the number of signatures affixed to the petition, whichever is earliest.
3. If a majority of the voters voting upon the proposal submitted at such election votes approval of such statute or resolution or any part thereof, such statute or resolution or any part thereof shall stand as the law of the state and shall not be amended, annulled, repealed, set aside, suspended or in any way made inoperative except by the direct vote of the people. If a majority of such voters votes disapproval of such statute or resolution or any part thereof, such statute or resolution or any part thereof shall be void and of no effect.

Sec. 2. Initiative petition for enactment or amendment of statute or amendment of constitution.
1. Notwithstanding the provisions of section 1 of article 4 of this constitution, but subject to the limitations of section 6 of this article, the people reserve to themselves the power to propose, by initiative petition, statutes and amendments to statutes and amendments to this constitution, and to enact or reject them at the polls.
2. An initiative petition shall be in the form required by section 3 of this article and shall be proposed by a number of registered voters equal to 10 percent or more of the number of voters who voted at the last preceding general election in not less than 75 percent of the counties in the state, but the total number of registered voters signing the initiative
petition shall be equal to 10 percent or more of the voters who voted in the entire state at the last preceding general election.

3. If the initiative petition proposes a statute or an amendment to a statute, the person who intends to circulate it shall file a copy with the secretary of state before beginning circulation and not earlier than January 1 of the year preceding the year in which a regular session of the legislature is held. After its circulation, it shall be filed with the secretary of state not less than 30 days prior to any regular session of the legislature. The circulation of the petition shall cease on the day the petition is filed with the secretary of state or such other date as may be prescribed for the verification of the number of signatures affixed to the petition, whichever is earliest. The secretary of state shall transmit such petition to the legislature as soon as the legislature convenes and organizes. The petition shall take precedence over all other measures except appropriation bills, and the statute or amendment to a statute proposed thereby shall be enacted or rejected by the legislature without change or amendment within 40 days. If the proposed statute or amendment to a statute is enacted by the legislature and approved by the governor in the same manner as other statutes are enacted, such statute or amendment to a statute shall become law, but shall be subject to referendum petition as provided in section 1 of this article. If the statute or amendment to a statute is rejected by the legislature, or if no action is taken thereon within 40 days, the secretary of state shall submit the question of approval or disapproval of such statute or amendment to a statute to a vote of the voters at the next succeeding general election. If a majority of the voters voting on such question at such election votes approval of such statute or amendment to a statute, it shall become law and take effect upon completion of the canvass of votes by the supreme court. An initiative measure so approved by the voters shall not be amended, annulled, repealed, set aside or suspended by the legislature within 3 years from the date it takes effect. If a majority of such voters votes disapproval of such statute or amendment to a statute, no further action shall be taken on such petition. If the legislature rejects such proposed statute or amendment, the governor may recommend to the legislature and the legislature may propose a different measure on the same subject, in which event, after such different measure has been approved by the governor, the question of approval or disapproval of each measure shall be submitted by the secretary of state to a vote of the voters at the next succeeding general election. If the conflicting provisions submitted to the voters are both approved by a majority of the voters voting on such measures, the measure which receives the largest number of affirmative votes shall thereupon become law.

4. If the initiative petition proposes an amendment to the constitution, the person who intends to circulate it shall file a copy with the secretary of state before beginning circulation and not earlier than September 1 of the year before the year in which the election is to be held. After its
circulation it shall be filed with the secretary of state not less than 90 days before any regular general election at which the question of approval or disapproval of such amendment may be voted upon by the voters of the entire state. The circulation of the petition shall cease on the day the petition is filed with the secretary of state or such other date as may be prescribed for the verification of the number of signatures affixed to the petition, whichever is earliest. The secretary of state shall cause to be published in a newspaper of general circulation, on three separate occasions, in each county in the state, together with any explanatory matter which shall be placed upon the ballot, the entire text of the proposed amendment. If a majority of the voters voting on such question at such election votes disapproval of such amendment, no further action shall be taken on the petition. If a majority of such voters votes approval of such amendment, the secretary of state shall publish and resubmit the question of approval or disapproval to a vote of the voters at the next succeeding general election in the same manner as such question was originally submitted. If a majority of such voters votes disapproval of such amendment, no further action shall be taken on such petition. If a majority of such voters votes approval of such amendment, it shall become a part of this constitution upon completion of the canvass of votes by the supreme court.

5. If two or more measures which affect the same section of a statute or of the constitution are finally approved pursuant to this section, or an amendment to the constitution is finally so approved and an amendment proposed by the legislature is ratified which affect the same section, by the voters at the same election:
   (a) If all can be given effect without contradiction in substance, each shall be given effect.
   (b) If one or more contradict in substance the other or others, the measure which received the largest favorable vote, and any other approved measure compatible with it, shall be given effect. If the one or more measures that contradict in substance the other or others receive the same number of favorable votes, none of the measures that contradict another shall be given effect.

6. If, at the same election as the first approval of a constitutional amendment pursuant to this section, another amendment is finally approved pursuant to this section, or an amendment proposed by the legislature is ratified, which affects the same section of the constitution but is compatible with the amendment given first approval, the secretary of state shall publish and resubmit at the next general election the amendment given first approval as a further amendment to the section as amended by the amendment given final approval or ratified. If the amendment finally approved or ratified contradicts in substance the amendment given first approval, the secretary of state shall not submit the amendment given first approval to the voters again.
Sec. 3. Referendum and initiative petitions: Contents and form; signatures; enacting clause; manner of verification of signatures.
1. Each referendum petition and initiative petition shall include the full text of the measure proposed. Each signer shall affix thereto his or her signature, residence address and the name of the county in which he or she is a registered voter. The petition may consist of more than one document, but each document shall have affixed thereto an affidavit made by one of the signers of such document to the effect that all of the signatures are genuine and that each individual who signed such document was at the time of signing a registered voter in the county of his or her residence. The affidavit shall be executed before a person authorized by law to administer oaths in the State of Nevada. The enacting clause of all statutes or amendments proposed by initiative petition shall be: “The People of the State of Nevada do enact as follows:”
2. The legislature may authorize the secretary of state and the other public officers to use generally accepted statistical procedures in conducting a preliminary verification of the number of signatures submitted in connection with a referendum petition or an initiative petition, and for this purpose to require petitions to be filed no more than 65 days earlier than is otherwise required by this article.

Sec. 4. Powers of initiative and referendum of registered voters of counties and municipalities. The initiative and referendum powers provided for in this article are further reserved to the registered voters of each county and each municipality as to all local, special and municipal legislation of every kind in or for such county or municipality. In counties and municipalities initiative petitions may be instituted by a number of registered voters equal to 15 percent or more of the voters who voted at the last preceding general county or municipal election. Referendum petitions may be instituted by 10 percent or more of such voters.

Sec. 5. Provisions of article self-executing; legislative procedures. The provisions of this article are self-executing but the legislature may provide by law for procedures to facilitate the operation thereof.

2. If the secretary of state finds that the total number of signatures filed with all the county clerks is less than 100 percent of the required number of registered voters, he shall so notify the person who submitted the petition and the county clerks and no further action may be taken in regard to the petition. If the petition is a petition to recall a county, district or municipal officer, the secretary of state shall also notify the officer with whom the petition is to be filed.

NRS 293.1277 Verification of signatures by county clerks.
1. If the secretary of state finds that the total number of signatures submitted to all the county clerks is 100 percent or more of the number of registered voters needed to declare the petition sufficient, he shall
immediately so notify the county clerks. Within 9 days, excluding Saturdays, Sundays and holidays, after notification, each of the county clerks shall determine the number of registered voters who have signed the documents submitted in his county.

2. If more than 500 names have been signed on the documents submitted to him, a county clerk shall examine the signatures by sampling them at random for verification. The random sample of signatures to be verified must be drawn in such a manner that every signature which has been submitted to the county clerk is given an equal opportunity to be included in the sample. The sample must include an examination of at least 500 or 5 percent of the signatures, whichever is greater.

3. In determining from the records of registration the number of registered voters who signed the documents, the county clerk may use the signatures contained in the file of applications to register to vote. If the county clerk uses that file, he shall ensure that every application in the file is examined, including any application in his possession which may not yet be entered into his records. The county clerk shall rely only on the appearance of the signature and the address and date included with each signature in making his determination.

4. Except as otherwise provided in subsection 6, upon completing the examination, the county clerk shall immediately attach to the documents a certificate properly dated, showing the result of his examination and transmit the documents with the certificate to the secretary of state. A copy of this certificate must be filed in the clerk's office.

If the certificates received by the secretary of state from all the county clerks establish that the number of valid signatures is less than 90 percent of the required number of registered voters, the petition shall be deemed to have failed to qualify, and the secretary of state shall immediately so notify the petitioners and the county clerks.
2. If those certificates establish that the petitioners have more than 100 percent of the number of registered voters needed to make the petition sufficient, the petition shall be deemed to qualify as of the date of receipt by the secretary of state of certificates showing the petition to have reached 100 percent, and the secretary of state shall immediately so notify the petitioners and the county clerks.

(Added to NRS by 1985, 1091; A 1993, 2666)

NRS 293.1279 Qualification or disqualification of petition upon verification of signatures.

1. If the statistical sampling shows that the number of valid signatures filed is 90 percent or more but less than 100 percent of the number of signatures of registered voters needed to declare the petition sufficient, the secretary of state shall order the county clerks to examine the signatures for verification. The county clerks shall examine the signatures for verification until they determine that 100 percent of the number of signatures of registered voters needed to declare the petition sufficient are valid.

2. If the statistical sampling shows that the number of valid signatures filed in any county is 90 percent or more but less than 100 percent of the number of signatures of registered voters needed to constitute 10 percent of the number of voters who voted at the last preceding general election in that county, the secretary of state may order the county clerk in that county to examine every signature for verification.

3. Within 12 days, excluding Saturdays, Sundays and holidays, after receipt of such an order, the clerk shall determine from the records of registration what number of registered voters have signed the petition. If necessary, the board of county commissioners shall allow the county clerk additional assistants for examining the signatures and provide for their compensation. In determining from the records of registration what number of registered voters have signed the petition, the clerk may use any file or list of registered voters maintained by his office or facsimiles of voters' signatures. The county clerk may rely on the appearance of the signature and the address and date included with each signature in determining the number of registered voters that signed the petition.

4. Except as otherwise provided in subsection 5, upon completing the examination, the county clerk shall immediately attach to the documents of the petition an amended certificate properly dated, showing the result of the examination and shall immediately forward the documents with the amended certificate to the secretary of state. A copy of the amended certificate must be filed in the county clerk's office.

For any petition containing signatures which are required to be verified pursuant to the provisions of NRS 293.165, 293.200, 306.035 or 306.110 for any county, district or municipal office within one county, the county clerk shall not forward to the secretary of state the documents containing the signatures of the registered voters.
6. Except for a petition to recall a county, district or municipal officer, the petition shall be deemed filed with the secretary of state as of the date on which he receives certificates from the county clerks showing the petition to be signed by the requisite number of voters of the state.

7. If the amended certificates received from all county clerks by the secretary of state establish that the petition is still insufficient, he shall immediately so notify the petitioners and the county clerks. If the petition is a petition to recall a county, district or municipal officer, the secretary of state shall also notify the officer with whom the petition is to be filed.

(Added to NRS by 1985, 1091; A 1985, 551; 1987, 1362; 1993, 2666; 1997, 751; 1999, 2148)

The appeal must:
   (a) Be filed within 5 working days after receipt of notification of the determination of the secretary of state;

1. If an appeal is based upon the results of the verification of signatures on a petition performed pursuant to NRS 293.1277 or 293.1279, the secretary of state shall:
   (a) If he finds for the appellant, order the county clerk to recertify the petition, including as verified signatures all contested signatures which the secretary of state determines are valid.
   (b) If he does not find for the appellant, notify the appellant and the county clerk that the petition remains insufficient.

2. If the secretary of state is unable to make a decision on the appeal based upon the documents submitted to him, the secretary of state may order the county clerk to reverify the signatures.
3. The decision of the secretary of state is a final decision for the purposes of judicial review. The decision of the secretary of state may only be appealed in the first judicial district court.
